## Kinship Origins

Kinship Origins is a free resource for kin caregivers! A kin caregiver is a family member or an important person in a child's life who takes on the full-time role of caring for a child or teen in foster care.

### KIN FIRST

Kinship Origins addresses common kinship caregiver concerns and questions:

Where do I start? Who are these agency people? How do I work with a child's challenging behaviors? And more!

### ANYWHERE

Use Kinship Origins anywhere, anytime with any internet-connected device: tablet, phone, or computer.

### TODAY

Register for free at [learn.childdally.org/self-signup](https://learn.childdally.org/self-signup) with the code Origins.
